**Subject:** Case 16-0253-GA-BTX

My name is Eric Huffman and I reside at 2539 Briarcliffe Ave. in Pleasant Ridge. My wife and I reside about 500 feet near one of the proposed routes (Pink route alternative) for the Duke Energy Central Corridor Extension Project proposition. I am writing to inform you that I am entirely against this under any and all conditions and circumstances. None of the three proposed routes is acceptable and this proposal needs to be shut down immediately. The fact that I even need to submit a letter of concern is troubling enough. This project is a major risk to human life, our environment, our property values, and to our everyday life.
