SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (CONT'D.)

3.3 Institutional Collect Calling Service

ICS provides Institutional Automated Collect-Only Operator Service to inmates of confinement facilities. Service may be limited by the administrators of the institutions as to availability, call duration or calling scope. Calls are billed to the Called Party. The Called Party must actively accept charges for the call. A per-call service charge applies to each call.

Institutional automated collect operator service allows inmates to make collect calls to terminating locations anywhere in the State of Ohio. An automated system prompts the caller and the called party through user - friendly instructions. The called party must accept responsibility for payment of the charges by dialing the designated digit for acceptance. If a call is not accepted within five (5) seconds of the automated voice recording prompt, the automated recording is replayed a second time. If an acceptance digit is not received five (5) seconds after the second recording is completed, the call is terminated by ICS' system.

Use of the automated collect calling service is subject to the rules and regulations of the Commission. and the institution's administrative restrictions.

3.3.1 Classes of Calls

Automated Collect Station Calls: are calls which are placed by an Inmate who dials all of the digits required to route the call and who follows the ICS system prompts, enabling the Called Party to accept the charges for the call. If the Called Party does not accept the call, the call is terminated and no billing applies.
