Subject: case: 16-0253-GA-BTX

To whom it may concern:

I write you today in opposition of the proposed Duke Energy Pipeline that would come through my neighborhood, case 16-0253-GA-BTX. I know you have heard compelling arguments from many concerned citizens, so I won't reiterate them here.

Just please know that I, as a citizen, voter, and tax payer of Cincinnati, Ohio, am in complete opposition of this pipeline for the safety risks it poses to my family, and the families of my community.

Thank you for your attention in this matter.

Sincerely,
Kristen Baker
