COMMENT DESCRIPTION:

Writing to express my concerns of the Duke Energy Pipeline. Not only is this extremely unsafe for residents but also for schools, hospitals, churches, shopping centers, ect. These are high populated areas and the risk is too high. Considering either of these routes is extremely foolish and incredibly unnecessary. I also do not want my home devalued. Please do everything you can to stop duke from using any of these routes. Thank you for your time and support. Kara Stabler
