COMMENT DESCRIPTION:

This letter is regarding case number 16-0253-GA-BTX. We are strongly opposed to the proposed 30 inch, high pressure gas pipeline through densely populated areas, specifically the Pink route. This pipeline proposes too great a risk to many schools, Temples, and Community Centers, not to mention people's homes. Even though we do not live along the proposed pipeline, we do work in the area and attend religious services there as well. The fact that Duke would even consider placing these communities at risk is unconscionable! We do not feel that it is unreasonable to

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
