**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On May 23, 2016, TelCove Operations, LLC (TelCove) filed an ATA seeking to revise its Carrier Access Service Tariff P.U.C.O. No. 2. In this application, TelCove proposes to modify its Ohio access tariff for the sole purpose of correcting references to its FCC Tariff No. 2 to FCC Tariff No. 1 since it replaced its tariff at the Federal Communications Commission. The proposed corrections do not impact customers, rates, or any terms and conditions contained in the tariff.

Therefore, pursuant to 4901:1-7-14(F) O.A.C. of the Carrier Rules, an application for carrier access tariff amendment must be filed as an ATA subject to the thirty-day automatic approval process. The Staff reviewed all documents and exhibits filed with this application and found them to be compliant with Commission rules. Thus, Staff has determined that the proposed revisions to the carrier access tariff appear to satisfy the Commission's requirements set forth in 4901:1-1-7 of the Administrative Code. Staff recommends that this application be approved with an effective date of June 23, 2016.
