COMMENT DESCRIPTION:

Re Case 16-0253-GA-BTX I have reviewed details of this case proposing to site a large, high pressure gas pipeline through the Kenwood / Blue Ash area. It seems all proposed routes go through heavily residential and commercial areas - at least one close to our property. Given the size and right of way requirements, it seems that such a project belongs only in a rural, or possibly heavily industrial, area. I understand that Duke wants us to trust them regarding
