Re: Duke Energy Proposed Pipeline
Case 16-253-GA-BTX

As a resident of Sycamore Township I will be immediately impacted by construction of the pipeline in my neighborhood. My property on Kugler Mill Rd. is close to the corner of Blue Ash Rd., one of the proposed routes. Construction will undoubtedly damage the root systems of the beautiful trees we have nurtured for the past 50 years.

Use of the large construction equipment will damage our residential street and present a danger to the children walking to school. Therefore, I am begging the Power Siting Board to vote NO on the proposed pipeline along Blue Ash Rd.

Sincerely,

Clare Willenbrink
