COMMENT DESCRIPTION:

I am adamantly opposed to the proposed gas main running directly through densely populated neighborhoods. This is extremely dangerous if and when there is a leak, and hazardous to the

health of those around it in general. It will also create an intense disturbance in this extremely busy area that will have a ripple effect on the health, traffic patterns and overall well being of the citizens in these proposed areas AS WELL AS all of Cincinnati. We cannot have a pipeline running thru the middle of our city. It will ruin the way of living that makes Cincinnati a great place to live.
