COMPLAINT DESCRIPTION:

How dare you run your damn gas pipeline right through our neighborhood! I am 62 years old and I have lived in my home for 32 years. I have scrimped and slaved to pay for my home and now

your stupid gasline is going to ruin everything! This stupid pipeline runs down Blue Ash Road to my front and turns onto Galbraith so it goes around two sides of my property. If this freaking pipeline ever springs a leak it will flood my street! I am one block from Blue Ash Road so the pipeline will ruin our property values and my little home will be worth nothing! I drive Blue Ash Road every day to work and back and you guys will have it torn up for a long time. It might never be fixed correctly! Duke is notorious for doing construction and never completely finishing the neighborhood around it. Ruts in roads, unrestored areas, the list goes on and on! I am so furious I can't see straight! Screw you Duke, you bastards!
