RE: Case 16-253-GA-BTX

Dear Members of the Ohio Power Siting Board,

This letter is to state our opposition to the proposed Duke Energy Central Corridor Gas Pipeline Project routes that would run through Sycamore Township. The routes appear to go through neighborhoods that are very vibrant and contain homes that have maintained their value even during the recent recession. The routes run past schools, hospitals, parks and other important community areas..

Please consider stopping this proposed gas pipeline as it will cause major damage to our township.

Thank you,

Kathy J. Voegelé
