To Whom It May Concern:

Please accept this email letter as my opposition to the proposed Duke Energy High Pressure Pipeline.

This is absolutely not an acceptable alternative for our neighborhood. I have yet to see the real rationale for this pipeline from Duke Energy, however, to allow this dangerous pipeline is putting to the lives of many in harms way. Duke Energy needs to look at other options and be realistic when it comes to the safety of the residents in the are.

Respectfully submitted,

Jason E. Huff
