RE: Letter of Notification
Raider 138kV Extension
Case Number: 16-1120-EL-BNR

Dear Ms. Thompson:

In accordance with Rules 4906 of the Ohio Administrative Code (OAC), AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) is required to submit a Construction Notice to the State of Ohio Power Siting Board (OPSB) whenever certain additions are made to our transmission facilities.

The proposed Raider 138kV Extension, Public Utilities Commission of Ohio Case Number 16-1120-EL-BNR, consists of building of a 138-kilovolt (kV) transmission line. The new line is needed to provide electricity to Marathons' Cadiz plant. The total length of the Raider 138kV transmission line is less than a half mile long. AEP Ohio Transco will build the line using primarily single-pole, steel 138-kV structures. The Raider 138kV Extension will likely be located in Green Township in Harrison County. This project will be an approximate \$1 million investment by AEP Ohio Transco. Construction is anticipated to begin in July 2016.

We ask that this Construction Notice be made available to the public. To obtain an electronic copy of the Construction Notice please contact me at the number below.

In compliance with Rule 4906-6-01, et seq., of the OAC, we have prepared and filed the enclosed Construction Notice with the OPSB. This Construction Notice is currently pending before the board.

Please feel free to contact me at 614-552-1929. I would be happy to answer any questions concerning this project.

Sincerely,
