COMMENTS: To whom it may concern:

I am writing to ask that the OPSB oppose the Duke Energy Pipeline Project in Cincinnati. This pipeline does not belong in residential areas of Cincinnati, where the potential for a dangerous and catastrophic explosion is eminent and will affect the lives thousands of families, schools, and communities. As a resident of Pleasant Ridge, this pipeline would be located within a quarter mile from my own home where my husband and I raise our two young boys. Not only do I not want this pipeline in my own backyard, I do not want this pipeline in any of my fellow Cincinnatians' backyards. Please help us protect our children, our homes, and our communities and OPPOSE the Duke Energy Pipeline Project.

Sincerely,

Jackie Tramonte
