To The Ohio Power Siting Board,

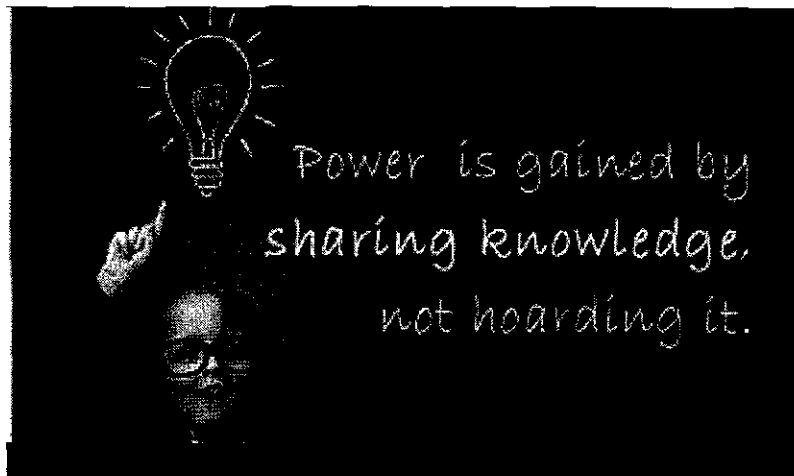

My name is Melissa Reardon, I am a resident of Blue Ash. I am against the Central Corridor Pipeline in my community. This pipeline is not safe in a residential area. I read about past leaks and worse yet, explosions and wonder how Duke could even consider placing Blue Ash in this potential path.

I could write more but you have heard from an organization that I support, NOPE (Neighbors Sopping Pipeline Extension). Please see the website NOPE! for further points against this pipeline.

I am willing to field questions or discuss this matter. Feel free to contact me.
