APPLICATION OF TARIFF

This tariff sets forth the service offering, rates, terms and conditions applicable to the furnishing of intrastate end-user telecommunications services by Global Connection, Inc. of America hereinafter "Global Connection", to residential customers within the State of Ohio. This tariff is effective only where an approved interconnection agreement exists with the incumbent LEC currently serving such area.

SECTION I – DEFINITIONS

Account Number:

Customer's telephone number is the account number

Advance Payment:

A Payment that may be required by a local service provider as a means of compensation for extraordinary expenses, including, but not limited to, special construction costs associated with a particular service installation.

Application for Service:

A standard order form that includes all pertinent billing, technical, and other descriptive information that will enable Company to provide telecommunication service.

Authorized User:

A person that either is authorized by the Customer to use local exchange telephone service at Customer's residence or other location, or is placed in a position by the Customer, either through acts or omissions, to use local exchange telephone service.

Basic Local Service Charge:

The charge to provide local dial tone service, without taxes, fees or toll calls included.

Commission:

Public Utilities Commission of Ohio, unless specifically stated otherwise.

Company:

Global Connection, Inc., which is the issuer of this tariff.

Competitive Local Carrier (CLC):

Denotes a common carrier that is issued the appropriate Certificate to provide local exchange telecommunications service.

Customer:

The person, firm, corporation or entity that orders service, uses and/or is responsible for the payment of charges and for compliance with the Company's tariff regulations.

SECTION 1- DEFINITIONS (continued)

Customer-Provided Equipment:

Terminal equipment, as defined herein, provided by Customer.

Demarcation Point:

The premises wire demarcation point begins where the Customer's inside wire connects to the intrabuilding network cable (INC). Where there is no INC, the demarcation point is the point of entry at Company's entrance facility. This demarcation point separates the responsibility of the end user from that of a vendor or Company's vendor of choice for premises wire repair and Customer Provided Equipment trouble isolation.

Disconnection:

The disconnection of a circuit, dedicated access line, or pod connection being used for existing service.

End-User:

Any person, firm, corporation, partnership, or other entity that uses the services of the Company under the provisions and regulations of this tariff. The End User is responsible for payment unless the charges for the services utilized are accepted and paid by another Customer.

Exchange Carrier:

Any individual, partnership, association, joint-stock company, trust, governmental entity or corporation engaged in the provision of local exchange telephone service.

Exchange Service:

The furnishing of service for telephone communication within local service areas in accordance with the provisions of this Tariff.

Holidays:

Holidays observed by the Company as specified on this tariff.

Incumbent Local Exchange Carrier (ILEC):

A local exchange carrier, including successors and assigns that is certified by the commission and was providing basic local exchange service on February 8, 1996.

Individual Case Basis:

A service arrangement in which the regulations, rates and charges are developed based on the specific circumstances of the Customer's situation.

SECTION 1 - DEFINITIONS (continued)

LATA:

A local access and transport area established pursuant to the Modification of Final Judgment entered by the United States District Court for the District of Columbia in Civil Action No. 82-0192 for the provision and administration of communications services.

Local Calling:

A completed call or telephone communication between a calling Station and any other Station within the local service area of the calling Station.

Local Service:

Service that provides for exchange telephone communication within the local service area at rates and under regulations as provided in this Tariff

Local Service Area:

That area within which a Customer to exchange service can make telephone calls at exchange rates. A local service area may be made up of one or more central office areas or exchange areas.

Non-Recurring Charges:

The one-time initial charges for services or facilities, including but not limited to charges for processing and installation, for which the Customer becomes liable at the time dial tone is achieved.

Premises:

Customer premises are all space in the same building occupied by a Customer and all space occupied by the same Customer in different buildings or continuous property.

(Premises) Inside Wire:

Inside (premises) wire (simple wire) refers to all non-system inside (premises) telephone wire on the Customer's side of the inside wire demarcation point but does not include Customer premises equipment.

SECTION 1 - DEFINITIONS (continued)

Recurring Charges:

The monthly charges to the Customer for services, facilities and/or equipment, which continue for the agreed upon duration of the service.

Service Commencement Date:

The first day following the date on which the Company notifies the Customer that the requested service or facility is available for use, unless extended by the Customer's refusal to accept service which does not conform to standards set forth in the Service Order or this tariff, in which case the Service Commencement Date is the date of the Customer's acceptance of service. The parties may mutually agree on a substitute Service Commencement Date.

Service Order:

The written or verbal request for local exchange services requested by the Customer and the Company in a format specified by the Company. The acceptance of the Customer and the Company of a verbal service order and/or the signing of a written Service Order by the Customer and acceptance thereof by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this tariff, but the duration of the service is calculated from the Service Commencement Date. Service Order may also be referred to as Customer Service Agreement.

Services:

The Company's local telecommunications services offered to the Customer.

Station:

Telephone equipment from or to which calls are placed.

Trunk:

A communications path connecting two switching systems in a network, used in the establishment of an end-to-end connection.

SECTION 2 – REGULATIONS**2.1 Undertaking of the Company****2.1.1 Scope**

The Company undertakes to furnish communications service pursuant to the terms of this tariff in connection with the provision of an access line and usage within a local calling area for the transmission of high quality one-way and/or two-way information transmission between points within the State of Ohio.

Customers may use services and facilities provided under this tariff to obtain access to services offered by other service providers. The Company is responsible under this tariff only for the services and facilities provided herein, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own customers.

2.1.2 Terms and Condition

(A) Global Connection, Inc. of America wants to provide prepaid service in the state of Ohio. Global Connection, Inc. of America provides prepaid service by asking the customer to pay the first month's basic local service plus the Federal Line Charge, taxes and surcharges prior to providing dial tone. No customer deposits will be required at this time.

(B) Before a new customer can receive dial-tone through the Basic prepaid package, they must first pay for:

SECTION 2 – REGULATIONS (continued)

2.1 Undertaking of the Company (continued)

2.1.2 Terms and Condition (continued)

- (C) An application for services, whether made orally or in writing, establishes the contract between the customer and the Company on the terms and conditions set forth in this tariff. (T)
- (D) The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond the Company's control.
- (E) The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company's fiber optic cable facilities as well as facilities the company may obtain from other carriers, from time to time, to furnish service as required at the sole discretion of the Company.

SECTION 2 – REGULATIONS (continued)

2.1.2 Terms and Conditions (continued)

- (F) Customers may be required to enter into written service orders that shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff.
- (G) At the expiration of the initial month, service shall continue on a month-to-month basis at the then current rates unless terminated by either party. Customers may request disconnection verbally or in writing. The company will provide written notice in compliance with the Public Utility Commission of Ohio, to the customer prior to the disconnection of service. Such disconnection shall not relieve the customer of the obligation to pay any charges incurred under the service order and this tariff prior to termination. The rights and obligations that by their nature extend beyond the termination of the term of the service order shall survive such termination which would include any past due bills, plus the pro rata amount due for service provided to date, any toll charges and directory assistance charges. (T)
- (H) Service is provided on a monthly basis. All calculations of dates set forth in this tariff shall be based on calendar days, unless otherwise specified herein. The prorating of bills for partial monthly service will be calculated on this basis.
- (I) This tariff shall be interpreted and governed by the laws of the State of Ohio without regard for its choice of laws provisions.
- (J) The Customer has no property right to the telephone number or any other call number designation associated with services furnished by the Company. The Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business.
- (K) The Customer agrees to operate any Company-provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void Company liability for interruption of service and may make the Customer responsible for damage to equipment.
- (L) Reserved for future use. (T)
- (M) No other telecommunications provider may interfere with the right of any person or entity to obtain service directly from the Company. No person or entity shall be required to make any payment, incur any penalty, monetary or otherwise, or purchase any services in order to have the right to obtain service directly from the Company.

SECTION 2 – REGULATIONS (continued)

2.1.3 Liability of the Company

(A) THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

(B) With respect to Emergency Telephone Number Service (911, E911):

The Company is not responsible for any infringement or invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly, by the use of 911 Service. Under the terms of this tariff the Public Safety Agency must agree, (except where the events, incidents, or eventualities set forth in this sentence are the result of the Company's gross negligence or willful misconduct), to release, indemnify, defend and hold the Company harmless from any and all losses or claims whatsoever, whether suffered, made instituted, or asserted by the Public Safety Agency or by any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the customer or others. Under the terms of this tariff, the Public Safety Agency must also agree to release, indemnify, defend and hold the Company harmless for any infringement of invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion or use of 911 service features and the equipment associated therewith, or by any services furnished by the Company including, but not limited to, the identification of the telephone number, address or name associated with the telephone used by the party or parties accessing 911 service hereunder, and which arise out of the negligence or other wrongful act of the Public Safety Agency, its users, agencies or municipalities, or the employees or agents of a one of them, or which arise out of the negligence, other than gross negligence or willful misconduct, of the Company, its employees or agents.

SECTION 2 – REGULATIONS (continued)

2.1.4 Provision of Equipment and Facilities

2.1.4.1 The Company shall use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with the regulations contained in this tariff. (T)

2.1.4.2 The Company shall use reasonable efforts to maintain only facilities and/or equipment that it furnishes to the Customer. The customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.

2.1.4.3 The Company may substitute, change or rearrange any equipment or facility at any time and from time to time, but shall not thereby alter the technical parameters of the service provided by the Company.

2.1.4.4 Equipment that the Company provides or installs at the customer premises for use in connection with the services offered by the Company shall not be used for any purpose other than that for which it was provided by the Company.

2.1.4.5 The Company shall not be responsible for the installation, operation, or maintenance of any Customer-provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Beyond this responsibility, the company shall not be responsible for:

- (1) The transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
- (2) The reception of signals by Customer provided equipment; or
- (3) Network control signaling where such signaling is performed by Customer provided network control signaling equipment.

2.1.5 Service Affecting Activities

The company will provide the Customer reasonable notification of service affecting activities that may occur in normal operation of its business. Such activity may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance.

SECTION 2 – REGULATIONS (continued)

2.1.6 Universal Emergency Telephone Number Service (911, E911)

2.1.6.1 This tariff does not provide for the inspection or constant monitoring of facilities to discover errors, defects, or malfunctions in the service, nor does the Company undertake such responsibility.

2.1.6.2 911 information consisting of the name, address and telephone number(s) of customers is confidential. The Company will release such information only after a 911 call has been received, on a call-by-call basis, only for the purpose of responding to an emergency call in progress.

2.1.6.3 The 911 calling party, by dialing 911, waives the privacy afforded by unlisted and non-published service to the extent that the telephone number, name and address associated with the originating station location are furnished to the Public Safety Answering Point.

2.1.6.4 After the establishment of service, it is the Public Safety Agency's responsibility to continue to verify the accuracy of and to advise the Company of any changes as they occur in street names, establishment of new streets, changes in address numbers used on existing streets, closing and abandonment of streets, changes in police, fire, ambulance or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other similar matter that may affect the routing of 911 calls to the proper Public Safety Answering Point.

2.1.7 Non-routine Installation

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply. If such service is requested a good faith estimate of the charges will be provided.

2.1.8 Ownership of Facilities

Title to any facilities or equipment provided in accordance with this tariff remains with the provider of such facilities or equipment, whether it is the Company, the underlying carrier, or their agents or contractors.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.2 Prohibited Uses

- 2.2.1 The services the Company offers shall not be used for any unlawful purposes or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
- 2.2.2 The Company may require applicants for service who intend to use the Company's offerings for resale and/or for shared use to file a letter with the Company confirming their use of the Company's offerings complies with relevant laws and applicable state regulations, policies, orders, and decisions; and if the Reseller intends to provide intrastate services, is certified with the appropriate state entity.
- 2.2.3 The Company may require a Customer to immediately shut down its transmission of signals if said transmission is causing interference to others.
- 2.2.4 A customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the written consent of the Company. The Company will permit a customer to transfer its existing service to another entity if the existing customer has paid all charges owed to the Company for regulated communications services. Such a transfer will be treated as a disconnection of existing service and installation of new service, and nonrecurring installation charges as stated in this tariff will apply.

2.3 Obligations of the Customer

- 2.3.1 The Customer shall be responsible for:

A. the payment of all applicable charges pursuant to this tariff;

B. Reimbursing the Company for damage to, or loss of, the Company's facilities or equipment caused by the acts or omissions of the Customer, or the noncompliance by the Customer, with these regulations; or by fire or theft or other casualty on the Customer's premises, unless caused by the negligence or willful misconduct of the employees or agents of the Company.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)**2.3 Obligations of the Customer (continued)****2.3.1 The Customer shall be responsible for: (continued)**

- C. providing at no charge, as specified from time to time by the Company, any needed personnel, equipment, space, and power to operate Company facilities and equipment installed on the Customer Premises, and the level of heating and air conditioning necessary to maintain the proper operating environment on such Premises;
- D. obtaining, maintaining, and otherwise having full responsibility for all rights-of-way and conduit necessary for installation of fiber optic cable and associated equipment used to provide Access Services to the Customer from the cable building entrance or property line to the location of the equipment space described in 2.3.1.C above. Any costs associated with obtaining and maintaining the rights-of-way described herein, including the costs of altering the structure to permit installation of the Company-provided facilities, shall be owned entirely by, or may be charged by the Company to, the Customer. The Company may require the Customer to demonstrate its compliance with this subsection prior to accepting an order for service;
- E. providing a safe place to work and complying with all laws and regulations regarding the working conditions on the Premises at which Company employees and agents shall be installing or maintaining the Company's facilities and equipment. The Customer may need to install and maintain Company facilities and equipment within a hazardous area if, in the Company's opinion, injury or damage to the Company employees or property might result from installation or maintenance by the Company. The Customer shall be responsible for identifying, monitoring, removing, and disposing of any hazardous material (e.g. friable asbestos) prior to any construction or installation work;
- F. complying with all laws and regulations applicable to, and obtaining all consents, approvals, licenses, and permits as may be required with respect to, the location of Company facilities and equipment in any Customer Premises or the rights-of-way for which Customer is responsible obtaining under Section 2.3.1.D above; and granting or obtaining permission for Company agents or employees to enter the Customer Premises at any time for the purpose of installing, inspecting, maintaining, repairing, or upon termination of service as stated herein, removing the facilities or equipment of the Company; and
- G. not creating or allowing to be placed or maintained any liens or other encumbrances on the Company's equipment or facilities; and
- H. making Company facilities and equipment available periodically for maintenance purposes at a time agreeable to both the Company and the Customer. No allowance for interruptions in service will be made for the period during which service is interrupted for such purposes.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.3 Obligations of the Customer (continued)

2.3.2 Indemnification of the Company by Customer(s)

With respect to any service or facility provided by the Company, Customer shall indemnify, defend and hold harmless the Company from all claims, actions, damages, liabilities, costs, and expenses for:

- A. any loss, destruction or damage to property of the Company or any third party, or the death of or injury to persons, including, but not limited to employees or invitees of either the Company or the Customer, to the extent caused by or resulting from the negligent or intentional act or omission of the Customer, its employees, agents, representatives or invitees;
- B. any claim, loss, damage, expense or liability for infringement of any copyright, patent, trade secret, or any proprietary or intellectual property right of any third party, arising from any act or omission by the Customer, including, without limitation, use of the Company's services and facilities in a manner not contemplated by the agreement between the Customer and the Company.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.4 Customer Equipment and Channels

2.4.1 General

A Customer or user may transmit or receive information or signals via the facilities of the Company. The Company's services are designed primarily for the transmission of voice-grade telephonic signals, except as otherwise stated in this tariff. A user may transmit any form of signal that is compatible with the Company's equipment, but the Company does not guarantee that its service will be suitable for purposes other than voice-grade telephonic communications except as specifically stated in this tariff.

2.4.2 Station Equipment

2.4.2.1 The user is responsible for providing and maintaining any terminal equipment on the user's premises. The electric power consumed by such equipment shall be provided by, and maintained at the expense of, the user. All such terminal equipment must be registered with the FCC under 47 C.F.R., Part 68 and all wiring must be installed and maintained in compliance with those regulations.

2.4.2.2 The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.4 Customer Equipment and Channels (continued)

2.4.3 Interconnection of Facilities

2.4.3.1 Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing Access Services and the Channels, facilities, or equipment of others shall be provided at the Customer's expense.

2.4.3.2 Communications services may be connected to the services or facilities of other communications carriers only when authorized by, and in accordance with, the terms and conditions of the tariffs of the other communications carriers that are applicable to such connections.

2.4.3.3 Facilities furnished under this tariff may be connected to customer provided terminal equipment in accordance with the provisions of this tariff. All such terminal equipment must be registered with the FCC under 47 C.F.R., Part 68 and all wiring must be installed and maintained in compliance with those regulations.

2.4.3.4 Users may interconnect communications facilities that are used in whole or in part for interstate communications to services provided under this tariff only to the extent that the user is an "End User" as defined in Section 69.2(m), Title 47, Code of Federal Regulations (1992 edition).

2.4.4 Inspections

2.4.4.1 Upon reasonable notification of the Customer, and at reasonable times, the Company may make such tests and inspections as may be necessary to determine that the Customer is complying with the requirements set forth in Section 2.4.2.2 for the installation, operation, and wiring in the connection of Customer-provided facilities and equipment to Company-owned facilities and equipment. No credit will be allowed for any interruptions occurring during such inspections.

2.4.4.2 If the protective requirements for Customer-provided equipment are not being complied with, the Company may take such action as it deems necessary to protect its facilities, equipment, and personnel. The Company will notify the Customer promptly if there is any need for further corrective action. Within ten days of receiving this notice the Customer must take this corrective action and notify the Company of the action taken. If the Customer fails to do this, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities, equipment and personnel from harm. The Company will comply with TSS Rule 17 in reference to disconnection.

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.5 Payment Arrangements

The following provisions shall apply to residential service to the extent that these provisions do not conflict with the Commission's Rules in which event the Commission's Rules will govern.

2.5.1 Payment for Service

The Customer is responsible for payment of all charges for service or facilities furnished by the Company to the Customer and to all users authorized by the customer, regardless of whether those services are used by the customer itself or are resold to or shared with other persons.

2.5.2 Billing and Collection of Charges

(1) All service and monthly recurring charges are due and payable upon receipt but no sooner than 14 days from the postmark on the bill. (T)

Customers pay an installation fee and receive a term of 30 days of service for the first month. Each month after the initial start-up the customer will be pre-billed for 30 calendar days per month. The customer's bill will be created the day following the connection date (CN) at which time the billing cycle is established. The Company offers a pre-paid service that requires customers to pay prior to the service period. Each month the customer will be billed 20 calendar days before the due date for the following month's service. For the customer to remain in a pre-paid status the due date for the pre-payment is scheduled 5 calendar days prior to the service end date. If payment is not received within 5 days after the due date, additional attempts to contact the customer by phone are scheduled prior to the service suspension date. Customers who do not make payment are processed for suspension on the 11th day following the due date and are processed for disconnection 10 days after the date of suspension. If payment is not received by the service end date, the customer must pay a late payment fee in addition to the past due balance. (T)

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.5 Payment Arrangements (Cont'd.)

2.5.2 Billing and Collection of Charges (cont'd.)

Before restoring service, the Company at its option may require one or more of the following:
(a) Payment of the total amount due as stated on the disconnection notice for basic local exchange service owed to the provider; or (b) An arrangement or settlement agreement requiring the payment of all amounts owed to the provider for basic local exchange service.

(1) If a customer has an outstanding balance for toll services the company may refuse to allow access to such services until the outstanding balance has been paid or another carrier has agreed to acquire the customer as a client.

(T)

2.5.3 Disputed Bills

2.5.3.1 All bills are presumed accurate, and shall be binding upon the customer, unless the Company receives written or oral notice of the disputed charge.

2.5.3.2 Late Payment Charge

(1) The undisputed portions of a bill must be paid by the payment due date to avoid assessment of a late payment charge on the undisputed amount. The late payment charge will not be applied to previous late payment charges that have been assessed but not yet paid for, but will apply to the accumulated services for which the customer is in arrears. Late payment charges will be applied without discrimination.

(2) In the event that the Company resolves a billing dispute in favor of the customer, any disputed amount withheld pending resolution of the billing dispute shall not be subject to the late payment charge.

2.5.3.3 Adjustments or Refunds to the Customer

Subscriber billing adjustments for local exchange service will be in accordance with any PUCO requirements.

(T)

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.5 Payment Arrangements (continued)

2.5.3 Disputed Bills (continued)

2.5.3.4 Unresolved Billing Disputes

In the case of a billing dispute between the customer and the Company for service furnished to the customer, which cannot be settled to the mutual satisfaction of the customer and the Company, the customer can take the following course of action:

(1) First, the customer may request and the Company will provide an in-depth review of the disputed amount by making an oral or written request to the address below:

Global Connection, Inc. of America
Attn: Customer Service
5555 Oakbrook Parkway, Suite 620 (T)
Atlanta, GA 30093
Toll Free (877) 511-3009

(2) Second, if after investigation and review by the Company, a disagreement remains as to the disputed amount, the customer may file an appropriate complaint with the Public Utility Commission of Ohio (PUCO).

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.6 RESERVED FOR FUTURE USE

2.7 RESERVED FOR FUTURE USE

2.8 RESERVED FOR FUTURE USE

(T)

SECTION 2 - RULES AND REGULATIONS, (Cont'd.)

2.9 Transfer and Assignment

Neither the Company nor the Customer may assign or transfer its rights or duties in connection with the services and facilities provided by the Company without the written consent of the other party, except that the Company may assign its rights and duties (a) to any subsidiary, parent Company or affiliate of the Company (b) pursuant to any sale or transfer of substantially all the assets of the Company; or pursuant to any financing, merger or reorganization of the Company.

Assignment of or transfer of service from one individual to another:

- charges for this are outlined on the price list.
- charges do not apply when transferring service to another individual who is a member of the same family

2.10 Notices and Communications

2.10.1 The Customer shall designate on the Service Order an address to which the Company shall mail or deliver all notices and other communications, except that Customer may also designate a separate address to which the Company's bills for service shall be mailed.

2.10.2 The Company shall designate on the Service Order an address to which the Customer shall mail or deliver all notices and other communications, except that Company may designate a separate address on each bill for service to which the Customer shall mail payment on that bill,

2.10.3 All notices or other communications required to be given pursuant to this rate sheet shall be in writing. Notices and other communications of either party, and all bills mailed by the Company, shall be presumed to have been delivered to the other party on the third business day following deposit of the notice, communication, or bill with the U.S. Mail or a private delivery service, prepaid and properly addressed, or when actually received or refused by the addressee, whichever occurs first.

2.10.4 The Company or the Customer shall advise the other party of any changes to the addresses designated for notices, other communications or billing, by following the procedures for giving notice set forth herein.

2.10.5 The Company shall notify the Commission of any special promotions it plans to offer.

SECTION 3 - SERVICE DESCRIPTIONS**3.1 Type of Service Offered**

The Company provides switched, telephonic quality voice and data transmission services that enable Users to communicate on a real time basis between points within local calling areas in the State of Ohio, as well as ancillary services that facilitate the use or expand the capabilities of switched communications services. Services may be performed by resale of services provided by other telephone companies.

Local Exchange Service provides the Customer with a single, touchtone, voice-grade telephone communications channel that can be used to place or receive one call at a time. Standard Local Exchange Service lines are provided for the connection of Customer-provided wiring, telephones, facsimile machines or other station equipment. This service requires no customer depositor credit check and does not require all payments to be made in cash.

Most charges for Local Exchange Service are billed monthly in advance. Usage charges, if applicable, are billed in arrears. Usage charges may apply for calls placed from the Customer's line. No usage charges will apply to calls received by the Customer. Nonrecurring charges for installation or rearrangement of service are billed on the next three month's bills following work performed by the Company.

The Company's local exchange telephone service provides a customer with the ability to connect to the Company's switching network which enables the Customer to:

- place or receive calls to any calling Station in the local calling area, as defined herein;
- access basic 911 Emergency Service;
- access 'Telecommunication Relay Service';
- access to operator services
- access directory assistance
- place or receive 800/888 telephone calls
- access the interexchange carrier of choice that provides direct billing to the end-user for interLATA, intraLA TA, interstate or international calling
