COMPLAINT DESCRIPTION:

I am writing concerning the proposed Duke gas pipeline through Blue Ash, OH and other communities in the Cincinnati area. I am strongly opposed to having such a high pressure pipeline run through areas with densely populated residents and business employees. All proposed routes run through Blue Ash. Blue Ash alone is one of the highest populated business areas in the Cincinnati area, it has a park that attracts thousands to music and park festivals, and it has a robust residential population. Other towns where the proposed pipeline runs are equally

vulnerable to the negative effects of this pipeline. This pipeline is a safety risk, creates environmental damage, traffic disruptions and diminish the desirability of living or maintaining business near and surrounding the pipeline. I have been unable to obtain any clear, strong benefit to southern Ohio for this pipeline, but the risks and negative impact are substantial.
