COMPANY\_NAME:

CASE\_NUMBER:

COMMENTS: I am writing as a concerned homeowner and resident of Amberley Village.

I recently purchased a home in Amberley on Ridge Ave. and was not aware of the proposed central pipeline expansion with a proposed route that runs directly in front of my house and through a heavily traversed stretch of road. Aside from the route's proximity to schools, businesses, and places of worship, our Police and Fire services are located on the same street that would be significantly impacted during any construction. This has significant impact on the entire community. Residents should not have to be concerned for their and their family's safety because of this expansion. There has to be another solution other than running the expansion through heavily populated areas.

Thank you for your help to address this matter.
