Subject: Case ID number (16-0253-GA-BTX)

To Whom it may concern:

I am writing to you today to express my concern for Duke Energy's Central Corridor Pipeline Extension Project. I do not believe it should be considered to run this gas transmission pipeline through neighborhoods, schools and highly populated areas. Please **vote against this application** to build this high pressure pipeline in our neighborhoods, putting people at risk of death or serious injury if something were to go wrong.

Thank you for your consideration.
