COMMENTS: I just want to be added to list of people who are opposed to Duke Energy running a gas line in our neck of the woods, which is Sycamore Township, where I'm a homeowner for some 25 years now. It really boils down to this that I'm definitely making a public comment that I'm opposed to Duke Energy running a gas line mighty close to where I live. One proposal is so close that I can walk there in five minutes so too close for comfort.
