Docketing Case No.:

16-0907-WW-AIR

Notes:

Please docket the following in the case number above. Thank you.

We would ask that you look into Aqua Water and the quality and pricing of their services. The price is much more than what we have paid in Columbus and Pataskala previously. The quality of the water is very poor!!! We ask that you please look into this since we all need clean water and for it to be affordable. We greatly appreciate you taking the time to look into this.
