Subject: Duke Energy's Central Corridor Pipeline Case File with OPSB # 16-0253-GA-BLX

Hello - I'm appalled to hear this pipeline is even being considered! NO WAY do I think this should run past my son's school! For God's sake there are enough things to worry about these days without worrying what could and eventually WILL, go wrong with a high pressure gas pipeline.

PLEASE do NOT approve this thing!!!!

Duke and their lobbyists trying to line your pockets should not sway you to put our neighborhoods in danger!!! I call on you to DO THE RIGHT THING!!! PLEASE!!!

Thank you,

Christi O'Brien

My son attends Evendale Elementary
