Subject: Duke's proposed natural gas pipeline routes

I very much OPPOSE what Duke Energy is planning to build a 30-in industrial size natural gas pipeline through our communities., Blue Ash, Evendale, Reading, Sycamore Township, Kenwood, Maderia and more. These propose routes go through residential/highly populated areas next to homes, schools, churches, businesses, daycare centers and a hospital. THIS PROJECT presents a SERIOUS THREAT TO PUBLIC SAFETY. Please do not allow Duke to build this pipeline!

Thank you!
