Dear Ohio Power Siting Board,

As a resident of Cincinnati and concerned citizen, I am writing you to register my opposition to Central Corridor Pipeline Extension Project (Reference No. 16-253- GA-BTX).

As a Madeira home owners and tax payers, we are very concerned with the proposed Duke energy pipeline plan. This atrocity will ruin our property values and put our families in danger. I urge Madeira leaders to take a strong stand against the Central Corridor Pipeline Extension.

This pipeline will travel through densely populated areas, including my neighborhood and will pose a danger to residences, schools, businesses and houses of worship.

Unlike delivery pipelines, this pipeline will be under up to 720psi pressure and an accident or rupture could cause injuries, death and destruction of property within a radius of 1/3 mile.

I ask you to oppose this pipeline and encourage both Duke Energy and the Ohio Power Siting Board to reject this pipeline

Thank you for your consideration.

Regards,
Laura & Joseph Stiles 6317 Euclid
