RE: Case 16-253-GA-BTX

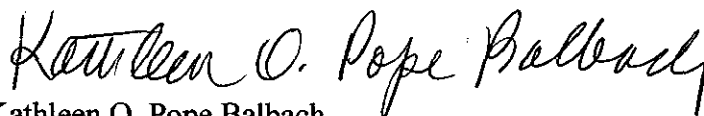

Dear Mr. James Olberding:

I am a resident of Sycamore Township who has been made aware of the pipeline controversy.

This proposal that is being presented is an ABSOLUTE travesty considering the fact that you are thinking about residential neighborhoods in which to run the pipe through. What are you people thinking?? Run it along an interstate route or some other venue where people in neighborhoods will not be in DANGER. I live on Euclid Road (which is busy enough) and would like the neighborhood to remain as such. I DO NOT want the street TORN UP and all the trees near the road CHOPPED DOWN.

It is the want of our entire neighborhood to leave WELL ENOUGH ALONE.

Sincerely,

Kathleen O. Pope Balbach
