Re: Cancellation of Ohio Competitive Retail Electric Service Provider Certificate 00-009E,
Case 00-1786-EL-CRS

MidAmerican Energy Company served retail electric customers in Ohio as a Competitive Retail Electric Service ("CRES") Provider from 2000 until December 31, 2015, under Public Utilities Commission of Ohio ("PUCO") certificate number 00-009E. During 2015, MidAmerican Energy Company transferred its unregulated retail services division to MidAmerican Energy Services, LLC, a Berkshire Hathaway Energy affiliate and CRES Provider with authority under PUCO certificate number 15-1001E.

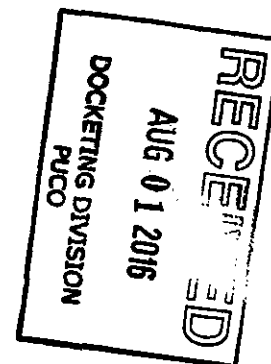

Effective January 1, 2016, all MidAmerican Energy Company customers were transferred to MidAmerican Energy Services, LLC. MidAmerican Energy Company is no longer serving any customers in Ohio and **by this letter notifies PUCO that it does not intend to file for renewal of its PUCO license under certificate number 00-009E.** MidAmerican Energy Company intends to fulfill any remaining obligations, such as required reporting or assessment payments, but no longer intends to market or otherwise serve customers in Ohio.
