COMMENT DESCRIPTION:

The following is the text of a resolution of opposition passed unanimously by Golf Manor Village Council on June 27th, 2016:

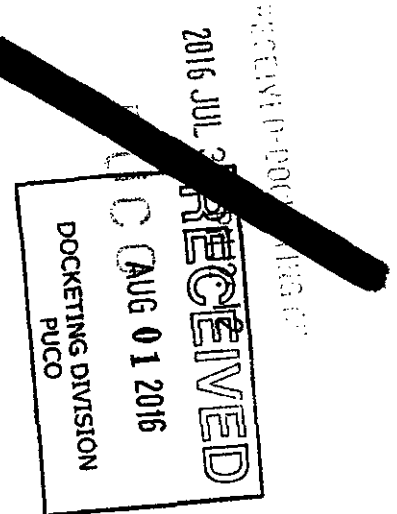

RESOLUTION No. 2016-13 A RESOLUTION EXPRESSING CONCERN REGARDING THE INSTALLATION OF THE DUKE ENERGY CENTRAL CORRIDOR GAS PIPELINE EXTENSION PROJECT THROUGH THE VILLAGE OF GOLF MANOR

WHEREAS, Duke Energy has proposed a 30", high pressure natural gas pipeline from the Mason area to the Norwood area, called the Central Corridor Gas Pipeline Extension Project; and
WHEREAS, Duke Energy has proposed three options for the location of the natural gas pipeline, two of which will impact the Village of Golf Manor; and

WHEREAS, The Council of the Village of Golf Manor is concerned about the environmental impact this project could have as well as its impact on the landscape of the Village due to clearing that will be required during the implementation of the pipeline; and

WHEREAS, there is further concern about the disturbance to private property, and the potential for even more significant damage if a catastrophic incident should occur; and

This is to certify that the foregoing was an accurate and correct reproduction of the document delivered in the regular course of business.
Technician SM Date Processed AUG 01 2016

WHEREAS, the safety of Village citizens is a top priority for the Council of the Village of Golf Manor and recent events in Pennsylvania demonstrate that such installations can be dangerous, and

WHEREAS, the proposed pipeline may diminish the desire to reside near the route, resulting in difficulty with selling real property, thus lowering property values; and

WHEREAS, Duke Energy has not yet submitted any detailed information regarding the particular locations of the pipeline or safety measures they plan to take to protect Golf Manor residents; and

WHEREAS, *City Council finds and determines after reviewing the limited information available to date that it is necessary to express concern regarding the proposed pipeline.*

NOW THEREFORE, Be it resolved by the Council of the Village of Golf Manor, Ohio, Hamilton County, Ohio, that:

SECTION I. The Council of the Village of Golf Manor, Ohio expresses opposition to the placement of the natural gas pipeline through the City limits and requests that Duke Energy and the Ohio Power Siting Board to ensure a safe route selection and installation.

SECTION II. This Resolution shall be in full force and in effect immediately upon its adoption.

PASSED this 27th day of June, 2016.

Best Regards, Bob Harper Vice Mayor and Member of Council
