Public Utilities Commission of Ohio  
180 East Broad Street  
Columbus, Ohio 43215

August 7, 2016

15-1830-EL-AIR

My wife and I are opposed to the electric charge increase planned by DP&L (Dayton Power & Light). DP&L's proposal would increase our residential fixed fee from \$51.00 to \$164.76 per year this is a \$113.76 increase in one year. As retirees our Social Security has not increased the last two years with no expectation that we will get a cost of living increase in our Social Security for this coming year of 2017. Therefore, we who are on fixed income see this increase as excessive and appeal to our Public Utilities Commission of Ohio to deny this increase.
