COMMENT DESCRIPTION:

In the Dayton paper it reads that our dpl is going up. The sad thing is I'm on a very tight buget . I can't afford to go to the dr when I need to, and I work 40 plus hours a week. By the time I pay taxes, ins and more taxes, I have very little left. I'm a hard working American who works for everything I have and doesn't expect handouts. My pay isn't going up , so how do you guys expect us to live. My dpl bill is pd on time every month, but yet we get no breaks. Just doest seen right. Thanks for listening. Lorraine Greene

COMMENT DESCRIPTION:

Dear PUCO, I do not support Dayton Power and Light's (DPandL) attempt to increase my monthly bill once again. As an existing DPL customer for many years, I feel powerless to stop their continued attempts to pass their industrial costs down onto their customers, especially this latest attempt. I hope that you will join me, and the tens of thousands that have already sent comments and letters opposing these utility bailout request, and oppose DPandL's coal bailout as well. Thank you. GGreene Dayton, OH

COMMENT DESCRIPTION:

RE: Case #16-395-EL-SSO Proposed security rate increase I strongly object to the aforementioned rate increase and hope the PUCO will not grant this to DP&L. Please do your job and represent consumers in this issue. I feel PUCO has shown a bias toward the utility in past rulings. I cannot afford more increases, as a single woman just forced into early retirement due to medical issues and living close to poverty level.
