Re: Oppose Aqua Ohio proposed water increase

To Whom It May Concern:

The Madison Township, Franklin County, Board of Trustees passed a resolution on June 15, 2016 unanimously objecting to and opposing the proposed 9.2% water increase for Aqua Ohio Incorporated.

The residents of our community have an average monthly bill of \$102.00. In 2014 a 9% water increase was granted by the PUCO and in 2015 a recovery amount for system improvements was granted by the PUCO for both water and sewer.

This additional 9.2% requested increase would continue to put a considerable strain our residents' finances. Please take this into consideration when reviewing this rate case.

Respectfully

On behalf of the Madison Township Board of Trustees,
