Regarding case no.16-0907-WW-AIR, Aqua Ohio Inc.'s application for rate increase. I object to this rate increase.

Aqua Ohio Inc.'s rates are more than 25% higher than Lake County water.

This rate increase would not be fair to those of us that reside only a few streets from Lake County Water Dist. My neighbor lives a few streets away, pays on average \$41.88 per quarter, \$13.96 per month for Lake County water. I pay on average \$30.00 per month for the same water and since Aqua Ohio buys it's water from Lake County, a 25% mark up is gouging the consumer. I would like response regarding any justification for the rate increase,

Sincerely,

Edward Juratic
