Public Utilities Commission of OH RECEIVED-DOCKETING PP
Case # 15-1830-EL-AIR
180 East Broad St. 2016 SEP 14 PM 2:53
Columbus, OH 43215

PUCO
I am opposed to Dayton Power and Light's plan to increase the customer charges,
DP&L should be encouraging energy efficiency, not punishing customers who
reduce their use.

Thank you,

Gloria Siemer

I am opposed to DP&L's plan to
increase my charges.

I would like to see DP&L
increase their renewable energy
and energy programs.

Shelly Bascom

DP & L

I protest you raising
our rates yet again. It is
time to look for another
utility company. If you persist
in this endeavour that's exactly
what we will do.

Sincerely

Mrs. Holly Charlesworth

Miamisburg, OH 45342

Case # 15-1830-EL-AIR

P.S. My dad Richard L Walls started at the DP & L
in Miamisburg & then transferred to Wilmington, OH
worked 30+ years. Retired at 55 years of age. He
was offered early retirement or going from full-time
to part-time. He took early retirement, he & my Mom
had a small business so they were able to manage. DP & L
used to be a reasonable utility company for
the consumers. Please don't increase the
customers charge by more than 3%.
Give us a break

To whom it may concern:

The proposal of Dayton Power and light wanting to raise its delivery charge by more than 220% is totally absurd! In a time when their customers working wage increases are stagnate at best?

Sincerely,

A handwritten signature in black ink that reads "Gary Adams". The signature is fluid and cursive, with a long horizontal line extending from the end of the name.

You know we need RENEWABLE ENERGY & energy efficiency programs. There really cannot be any doubt. People just keep trying to deny it, seems mainly due to greed.

You and everyone should be ENCOURAGING ENERGY efficiency. Stop punishing customers who reduce their use.

An increase in customer charge and no gain in RENEWABLE ENERGY is shameless.

Before it's too late, we all need to join the bandwagon for RENEWABLE & ENERGY efficient programs. You know it's true.

Sincerely,

Linda Wood

Dear Commission Members:

Dayton Power & Light should be focusing on increased dependence on renewable energy and helping customers to find ways of significantly reducing energy use.

I oppose their attempt (Case Number 15-1830-EL-AIR) to substantially increase the monthly customer charge.

Thanks for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Frank J. DaPolito". The signature is written in a cursive, flowing style with a large initial "F".

Dear Commission Members:

I strongly oppose Dayton Power & Light's plan (Case Number 15-1830-EL-AIR) to increase the customer charge by 223%. This increase will be a burden on many households, making it harder for people who are already paying excessive rates to afford this basic necessity.

Instead of requesting this increase, Dayton Power & Light should be working to encourage greater energy efficiency and to switch from reliance on coal to much greater use of renewable energy sources.

Thank you for your attention.

Sincerely,

A handwritten signature in black ink that reads "Judith DaPolito". The script is cursive and fluid, with the first name and last name clearly legible.

Dear commission members;

I request that Dayton Power and Light not be granted the exorbitant rate increases they are requesting. I have switched to LED lights in my house plus added a hot water timer to try and offset my electric costs. I am now retired and cannot afford the increases due to the mismanagement I have seen with DP&L in the last few years with their sale and divesting themselves of the actual electricity production. I believe that those of us that have sacrificed personal comfort, taken steps and spent money to reduce our consumption should not be penalized by the energy producers or the companies that deliver the actual product.

Sincerely,

A handwritten signature in cursive script, appearing to read "David A. Thomas".

David A Thomas

Dear PUCO,

I Guess Kuhlman are opposed to
AP&L's ~~best~~ plan to increase the
customer charge by more than 3 times.
I'm blessed to have a decent job but
how do you expect the poverty level
families to pay such a high increase.
I guess AP&L is fine to get more money
and take food out of a child's mouth.
Maybe your executives should take a pay
cut and decrease their bonuses.

Tresa Kirbabeas

DEAR PUCO,

I MICHAEL BOCKOVEN AM OPPOSED
TO DP&L'S PLAN TO INCREASE THE
CUSTOMER CHARGE BY MORE THAN
3 TIMES ^{DP&L} (DAYTON PILLAGE AND LOOTING)

I AM ALREADY DEALING WITH PUTTING
3 BOYS THROUGH COLLEGE, IN WHICH I AM
DEALING WITH THE MONOPOLY OF
OBSENE COSTS CHARGED BY GOVERNMENT
LOANS, I FEEL ELECTRIC IS SOMETHING
EVERYONE NEEDS AND TO CREATE
THE SAME OBSENE COST IS SOMETHING
THAT HAS TO BE STOPPED. WE ARE
CREATING A GREATER DIVIDE BETWEEN
RICH AND POOR AND DP&L IS JOINING
THE GROUP ALONG WITH MYLAN
AND OTHER GROUPS TOO NUMEROUS
TO LIST.

Dear POOO,

I know that my mom and older sister have already written a letter to oppose the rate increase from DP&L but I wanted to say something as well. I think DP&L should be looking towards more energy efficient methods of producing energy (renewable sources) and rewarding those who conserve.

THINK GREEN!!!

Sincerely,

Alyssa Olmos

PUCO
Dear PUCO,

It has come to my attention that DP&L are suggesting a large rate increase. As a single parent of three kids, I live on a very tight budget and would not be able to afford the suggested rate increase of more than three times the current rate. That would make my average monthly bill around \$750. That's more than my mortgage payment.

My kids and I try to be very energy efficient and conserve where we can and to be punished because of other's misuse isn't right.

I hope you take my plea into consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Miranda Olmos', followed by a long horizontal flourish line.

Miranda Olmos

Samantha Olmos

2137 Sherwood Forest Dr. - Miamisburg, OH 45342

mlolmos@yahoo.com

PUCO
Dear POCOC,

As a child in a household that lives on a very strict budget, I'm applaud at the suggested rate increase from DP&L. My mom does everything in her power to make sure that me and my brother and sister are taken care of but if she has to start paying three times the normal bill we won't have money for things we need. Asking hardworking parents to start paying so much more money just isn't right. Children are the ones who will pay for most of the rate increase from things that they will have to go without. That means no more new shoes, reeds for my clarinet, asthma medicine for my brother, food to feed us all....the list is endless.

It is my hope that legislators take the pleas of the citizens seriously and not allow this rate increase.

Sincerely,

Samantha Olmos
