**OHIO POWER COMPANY’S MEMORANDUM IN SUPPORT
OF THE MOTION FOR CONTINUANCE**

On September 7, 2016, the Attorney Examiner issued an entry directing Ohio Power Company (“Ohio Power” or the “Company”) to refile its Electric Security Plan (ESP) in this new docket. Given that directive and the passage of time since the original filing was made, AEP Ohio has begun the process of thoroughly reviewing and updating its proposed modifications to, and extension of, the existing ESP. In order to conduct that exercise and attempt to avoid further modifications after refiling the Application, the Company requests additional time and requests a continuance until October 28, 2016. Given the impending deadline, the Company requests an expedited ruling.

Respectfully submitted,
