Dear Ms. McNeal:

On September 13, 2016, in accordance with the Ohio Power Siting Board's rules, Fred. Olsen Renewables USA LLC/Icebreaker Windpower, Inc. (Lake Erie Energy Development Corporation – Project Icebreaker) (Applicant) filed notice that a letter was sent to the property owners and entities affected by Project Icebreaker notifying them of an informational meeting scheduled for September 28, 2016. This meeting was to be held in conjunction with the U.S. Department of Energy (DOE).

The U.S. DOE will hold its meeting as scheduled on September 28, 2016, under the National Environmental Policy Act (NEPA). However, the Applicant has decided to hold a separate meeting at a later time to comply with the OPSB requirements.

The Applicant has sent letters to all property owners and entities affected by Project Icebreaker notifying them that the OPSB information meeting will be rescheduled for a later time. Once the date, time, and location of this subsequent meeting are determined, the Applicant will provide the required notice and file a letter of compliance in this docket.

Respectfully Submitted,
