Subject: Deny Duke's Waiver

Dear PUCO Commissioner Thomas W. Johnson,

As a resident of Blue Ash and concerned citizen, I am writing you to register my opposition to Central Corridor Pipeline Extension Project (Reference No. 16-253- GA-BTX).

Re. Case 16-253-GA-BTX. Please deny Duke Energy's request that the OPSB waive the requirements to hold another public meeting on the routes proposed in their filing on Sept. 13, 2016 and to send letters of information to all affected homeowners along the routes. The public is due transparency and information on this amended project. Duke's request to avoid these requirements, and thus transparency and information sharing, is inexcusable

This pipeline will travel through densely populated areas, including my neighborhood and will pose a danger to residences, schools, businesses and houses of worship.

Unlike delivery pipelines, this pipeline will be under up to 720psi pressure and an accident or rupture could cause injuries, death and destruction of property within a radius of 1/3 mile.

I ask you to oppose this pipeline and encourage both Duke Energy and the Ohio Power Siting Board to reject this pipeline

Thank you for your consideration.

Regards,
Elizabeth Rueve-Miller
