Re: Duke Energy  
Central Corridor Pipeline - Case 16-253-GA-BTX

Ladies/Gentlemen:

The City of Madeira strongly objects to the request by Duke Energy to waive any additional public meetings/hearings for the above-referenced project. We believe, even though Duke Energy has revised its design for the proposed pipeline, that the proposed project demands that residents and businesses along the pipeline alignment be given the opportunity to be heard at the required public hearings. Your consideration in this matter is greatly appreciated.

Should you have any questions, please contact my office at 513.561.7228.

Sincerely,

Thomas W. Moeller  
City Manager
