Subject: Pipeline waiver

Re. Case 16-253-GA-BTX. Please deny Duke Energy's request that the OPSB waive the requirements to hold another public meeting on the routes proposed in their filing on Sept. 13, 2016 and to send letters of information to all affected homeowners along the routes. The public is due transparency and information on this amended project. Duke's request to avoid these requirements, and thus transparency and information sharing, is inexcusable.
