Subject: Re. Case 16-253-GA-BTX

Importance: High

Please deny Duke Energy's request that the OPSB waive the requirements to hold another public meeting on the routes proposed in their filing on Sept. 13, 2016 and to send letters of information to all affected homeowners along the routes. The public is due transparency and information on this amended project. Duke's request to avoid these requirements, and thus transparency and information sharing, is inexcusable .

Thank you for your attention in the matter. If you have any questions or require any additional information, please do not hesitate to contact me on my cell phone at 513-515-5797.
