- *(no service address provided?)*
- *(no service phone number provided?)*
- *(no account number provided?)*

COMPLAINT DESCRIPTION:

So you think the new preferred route for the gas pipeline in Cincinnati is a solution. Really? It still runs through major neighborhoods with lots of houses and is totally unacceptable. Take this pipeline out to the country or run it by the expressways. You will still have lots of Cincinnati residents complaining about this and trying to stop it. All you are thinking about is Duke not the safety of residents.
