PUC —

I am opposed to Dayton Power & Light's
plan to double the customer service charge.

In Miami Springs right now we are paying
substantially for the Water & Sewage Plants —
With an income of \$3800/mo. we cannot
pay this as well.

Suggest they increase ~~your~~ ^{their} renewable
energy & energy efficiency programs.

This is in reference to

Case # 15-1830-EL-AIR
