

CASE #15-1830-EL-AIR

The Kerley Family
(Coral, Jason, Autumn, & Ember)

1380 Kelly Marie Ct.
Miamisburg, OH
45342

To Whom it May Concern:

I am writing in reference to DP&L's plan on increasing service charges. As a single income family we can't have the burden of DP&L's increase on us.

In addition, we would love to see DP&L's attempt to use more reusable energy sources. With more consumers looking for products, buildings, cars, etc. using alternative fuel sources we should also be looking toward our power company for the same. I personally work in a field that environmental impacts affect my clients and in turn affects their spending. Little changes can make a big difference!

Thanks!
