Dear Sample Customer,

In November 2015, Weathersfield Township voters authorized the creation of a natural gas aggregation program. Your community has selected Constellation Energy Services – Natural Gas, LLC (Constellation) as the program supplier. Beginning with your December 2016 meter read cycle through your November 2017 meter read cycle, you will pay the NYMEX settlement price for the relevant month’s natural gas, converted to Mcf using the Utilities then current Btu factor, plus an “Adder” of -\$0.16 per Mcf. While we cannot guarantee monthly savings, the following is for illustrative purposes only: Dominion’s gas rate for October (the latest known rate as of the mailing of this letter) was \$2.902 per Mcf compared to the aggregation’s variable rate, which would have been \$2.999 per Mcf if the program was then in effect. The aggregation price may be either variable or locked throughout the term. If your community decides to implement a Locked-In Price with Flex Down Opportunity (SM) Rate, you will be notified. This option includes the opportunity for community leaders to lock in a price cap; if your community locks in a price cap, your price will never exceed the price cap during the established capped period.

You’re Automatically Enrolled

There is no cost to enroll. As an eligible customer, you are automatically enrolled unless you decide to opt-out. You may terminate this Agreement without penalty at any time for any reason by providing notice to Constellation. Senior citizens age 65 or older participating in the aggregation program will receive a discount of \$0.10 per Mcf if they contact Constellation.

How To Opt-Out

You don’t need to do anything to get this new rate; however, if you decide not to take part in the program, please respond with one of the options below by November 28, 2016:

Natural Gas Aggregation Opt-Out Frequently Asked Questions

Q: What is aggregation?

A: Under governmental aggregation, local officials bring the community together for group purchasing power. The community benefits by receiving competitively-priced natural gas from a retail natural gas supplier certified by the Public Utilities Commission of Ohio.

Q: How is my community able to choose a certified natural gas supplier on my behalf?

A: Residents voted to allow the community to negotiate a contract with a natural gas supplier on their behalf.

Q: How do I enroll?

A: Eligible residential or small business customers will be automatically enrolled.

Q: Who is eligible for the aggregation program?

A: Most residential and small business customers residing within the community receiving natural gas from the local utility are eligible (local utilities include: Dominion East Ohio Gas, Columbia Gas of Ohio, Vectren Energy Delivery of Ohio, and Duke Energy Ohio).

Q: Who is not eligible?

A: Residential and business customers who are not eligible for automatic enrollment in the program include:

- A customer that is not located within community boundaries.
- Percentage of Income Payment Program (PIPP) customers.
- A customer who is under contract with another natural gas provider.
- A customer who has a special contract with the natural gas utility company.
- Customers who are behind on their payments to the utility.
- A mercantile customer that has not provided consent to join the program. "Mercantile customer" means a commercial or industrial customer if the natural gas consumed is for non-residential use and the customer consumes more than 500 Mcf per year or is part of a national account involving multiple facilities in one or more states.

Q: Does it cost to enroll?

A: No. Constellation does not charge any enrollment or switching fees.

Q: When will I see my new rate?

A: You can expect to see the new rate one to two billing cycles following your enrollment in the program. Please note: supply rates do not include taxes, delivery service charges or other utility fees.

Q: Who will bill me for natural gas?

A: You will continue to receive one monthly bill from your local utility.

Q: Can I still have my payment automatically deducted from my checking account as I do now?

A: Yes, how you pay your natural gas bill will not change.

Q: Who is responsible for delivery of natural gas to my home or business?

A: Your local utility company will continue to deliver natural gas to your home or business.

Q: Who do I call if I have a problem with my natural gas service?

A: To report service problems, a gas leak and for billing questions, contact your local utility company.

Q: What if I have already selected another supplier?

A: Based on the records provided by the utility, we assumed you are not with another supplier. However, if you recently signed up with a new supplier, carefully review the terms and conditions of that agreement before proceeding as your ability to terminate early with that supplier may be restricted.

Q: Is there an early termination fee for leaving the program outside of the 21 day opt-out period?

A: No, there is no early termination fee.

Q: Who do I contact if I have additional questions about this offer?

A: If you have additional questions about the program, please contact Constellation.
