COMMENTS: The Central Corridor Pipeline Extension Pipeline would effect my family, my local school, and my neighbors. Please do not tear down our trees and put a dangerous pipeline in the ground below us. As a mother who works in my neighborhood, whose child attends a daycare in our neighborhood, and who has hopes for the progress our neighborhood of Madisonville is making each year, this pipeline would destroy our optimism and prompt us to move away from a place we have grown to love and become part of.

Sincerely,  
Katie Bachmeyer
