**Re: Material Change to RES Power Marketer Certificate in Case No. 00-2457-EL-CRS,
Certificate No. 01-052E (8) – Notice of Change in Control and Name Change**

To Whom It May Concern:

Pursuant to Noble Americas Energy Solutions LLC's ("Noble Solutions") Power Marketer Certificate in the State of Ohio, Certificate No. 01-052E (8) Case No. 00-2457-EL-CRS, issued by the Public Utilities Commission of Ohio ("PUCO") on July 10, 2015 and Rule 4901:1-24-10 of the Ohio Administrative Code, be advised that on December 1, 2016, Noble Group Ltd. Completed the sale of its 100% ownership interest in Noble Solutions to Calpine Corporation.

Calpine Corporation is America's largest generator of electricity from natural gas and geothermal resources. With a fleet of 84 power plants in operation or under construction that represents more than 27,000 megawatts of generation capacity. Serving customers in 20 states and Canada, Calpine specializes in developing, constructing, owning and operating natural gas-fired and renewable geothermal power plants that use advanced technologies to generate power in a low-carbon and environmentally responsible manner.

Please note and update your records to reflect that Noble Solutions changed its name to Calpine Energy Solutions, LLC, effective as of December 1, 2016. All other information and business aspects with respect to Calpine Solutions/Noble Solutions, such as company function, federal tax identification number, Dun & Bradstreet number, office address, operations, managerial and technical expertise, as well as contract obligations, remains unchanged.

If you have any questions or comments regarding this notice please do not hesitate to contact Greg Bass at (619) 684-8199.

Sincerely,

Greg Bass
