 COMPANY\_NAME: Ms. Nancy Ortman  
 CASE\_NUMBER:

COMMENTS: Board Members, I am very concerned that you are not taking the consideration of migrating birds across lake erie seriously in siting windmills there. Please, please conserve migratory birds as required by treaty and law. There are turbines that use a spinning so of corkscrew wheel design. They do not have huge blades. Why don't you work this out for the best possible benefit for all? Please, please consider that.
