Subject: Wind turbines

Please consider NOT approving 16-1871-EL-BGN, the issue which would build wind turbines in Lake Erie. Please HONOR the Migratory Bird Act. If Ohio is going to go forward with wind and solar engery, please consider other ways and means to achieve it, beside disrupting the wildlife. Thank you.

Respectfully, Ann Koons

COMMENTS: You are all honorable people. Please honor the Migratory Bird Act, and prevent any construction of wind turbines in Lake Erie. If wind turbines are built in Lake Erie, they will not be in the best interest of the wildlife. Wind turbines in Lake Erie are not the answer to our engery needs. We are a smart, resourceful country, we can find other ways and means to fulfill our engery needs.

Respectfully, Ann Koons
