## **RIDER UE-ED**

### **UNCOLLECTIBLE EXPENSE – ELECTRIC DISTRIBUTION RIDER**

#### **APPLICABILITY**

Applicable to all retail jurisdictional customers in the Company's electric service areas.

#### **DESCRIPTION**

This rider enables the recovery of uncollectible accounts expense and includes Percentage of Income Payment ("PIPP") customer installments not collected through the Universal Service Fund Rider. Also, to the extent that less than \$40,000 per month has not been credited to customers through electric Rate RSLI, any shortfall will be used to reduce collections in Rider UE-ED. The amounts in the Rider, exclusive of uncollectible PIPP installments, will only be collected from the class (residential or non-residential) that created the uncollectible accounts expense. Uncollectible accounts expense associated with PIPP will be allocated in the manner consistent with the Universal Service Fund Rider.

#### **CHARGE**

A charge of \$0.000505 per kWh shall be applied to all kWh delivered to residential customers. A charge of \$0.39 per bill shall be applied to each non-residential customer.

Filed pursuant to an Order dated December 21, 2016 in Case No.16-1260-EL-UEx before the Public Utilities Commission of Ohio.
