On March 30, 2015, Talen Energy Marketing (f/k/a PPL EnergyPlus, LLC) filed a Renewal Application for Certification as a Competitive Retail Generation and Power Marketer and submitted, in support of Exhibits C-4 and C-6, parental guarantees executed by Talen Energy Supply, LLC (f/k/a/ PPL Energy Supply, LLC) in favor of each electric distribution utility in whose service territory Talen Energy Marketing indicated it would offer competitive retail electric service. Those guarantees remain effective even though a change the upstream ownership of Talen Energy Marketing has occurred.

Finally, none of the above-mentioned changes affects the operations of Talen Energy Marketing, or its ability to provide generation service to its customers in the State of Ohio.

In order to assist with our recordkeeping, please date and time stamp the enclosed extra copy of this letter and return it to me in the self-addressed, stamped envelope provided.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Jesse A. Dillon
