Dear Sir or Madam,

As a long time resident of Powell we are concerned and opposed to AEP's plan to double customer charges. We would like to see AEP look at other options when it comes to meeting the energy needs of the Columbus area. Passing the cost of coal on to your customers may be good for your business but it not what your customers want and it ~~isn't~~ isn't sustainable for our future.

EL-580  
Case #13-2385-ESP

Thank you for your time,

Kimberly Diehl
