Docketing Case No.: 16-1693-EL-RDR

Notes:

COMPLAINT DESCRIPTION:

Dear sir/madam, We received our Dec/Jan electric bill and noticed a significant increase in charges approved by the PUCO. It is disturbing that you would approve increases over \$100.00 a month with no input or consideration to what this does to the average consumer. How do we receive relief from these AEP tariff charge increases? The AEP Ohio fees/charges are at least 30% higher than the energy charges and the Power Purchase Agreement Rider is a total farce. What has happened to the open market and finding the best price?! Reference #14-1693-EL-RDR

Please docket the attached in the case number above.
